Committee on Representation
2015 Statistical Report
Report to 129th Stated Meeting of Presbytery--June 6, 2015

The Presbytery's Committee on Representation met by conference call on Wednesday afternoon, April 29, 2015 with a quorum present and examined the following statistics:

- 1) Number of persons elected and serving Presbytery as of March 1, 2015: **185**
 - Persons counted have been nominated by the Committee on Nominations **or** elected by geographic regions of congregations **or** nominated to commissions by committees as officers, members of committees or commissions of the Presbytery or to fulfill specific tasks of the Presbytery. (Ferncliff Board and Presbyterian Women Coordinating Team, self-perpetuating groups; Youth Advisory Team, filled by application process; and all subcommittees, populated by invitation, are not included.)
 - One (1) administrative commission and two search committees are in place this year as compared to two ACs last year.
 - This number (185) includes **twenty (20) persons who serve in more than one position**; they are counted multiple times – once for each chair they fill. (This is an improvement from last year's twenty-four (24) persons in dual roles. There are 165 different people participating, the same number as last year.)

- 2) Number of different churches represented by persons elected: **64 of 87 churches**

(This is the same as participated last year, however, the Korean Fellowship has withdrawn from the PC(USA) and the Hispanic New Church Development is now part of First, Springdale)

 - 74% of churches are participating in the work of the Presbytery.
 - Persons counted above in more than one position include twelve (12) active Teaching Elders, six (6) ruling elders and two (2) laypeople.

- **23 churches** that do not have any staff or members serving (the same number as last year) are as follows, with new region numbers replacing last year's cluster numbers:
 - a) Amity, Alpine (Region 2)
 - b) Arkadelphia, First (2)
 - c) Beebe, First (4)
 - d) Fayetteville, Mount Comfort (1)
 - e) Gamaliel, 101 (4)
 - f) Gravette, First (1)
 - f) Gurdon, First (2)
 - h) Hardy, Spring River (4)
 - i) Helena, First (5)
 - j) Hot Springs Village, Woodlands (2)
 - k) Huntsville, First (1)
 - l) Lonoke, First (5)
 - m) Marianna, First (5)
 - n) McGehee, First (5)
 - o) Ozark, First (5)
 - p) Paragould, First (5)

- q) Pine Bluff, Faith (5)
- r) Pocahontas, First (5)
- s) Prairie Grove, First (1)
- t) Stuttgart, First (5)
- u) Walnut Ridge, First (5)
- v) West Helena, Cleburne Avenue (5)
- w) Yellville, First (4)

Note: Four (4) of the above churches either have members or staff serving on subcommittees (but not elected) or now serving on committees since March 1. Four (4) additional churches above are now under Administrative Commissions and may be dissolved. Many of the churches above are pastorless.

NOTE: Only 37 of the 87 congregations in the presbytery submitted statistical reports to General Assembly for 2014 by the deadline so comparison of ages, genders, and races to those elected to serve is only minimally possible.

3) There was a slight increase in the 25 and under and the 26-35 age group from previous years--**67% of the elected persons, 1% less than last year, are age 56 or older.**
 (Observation: The Youth Advisory Team, a 40-member subcommittee of presbytery's Christian Education Committee, comprised predominately of young adults and youth, is not in this count since subcommittees are appointed, not elected. YAT is, however, invited to submit names to Committee on Nominations.)

<u>Age Group</u>	<u># Persons</u>	<u>% of Total Group</u>
25 & Under	5	3%
26 - 35	14	8%
36 - 55	41	22%
56 - 64	60	32%
65 and Up	65	35%

4) Gender of persons and percentage of elected group (There is no change from last year percentages of **49% male and 51% female**)

<u>Gender</u>	<u># Persons</u>	<u>% of Total Group</u>
Male	91	49%
Female	94	51%

5) Ethnic heritage of persons and percentage of group

<u>Ethnicity</u>	<u># Persons</u>	<u>% of Total Group</u>
African American/Black	5	3% (1% less than last year)
Caucasian/White	178	96% (2% more than last year)
Hispanic	2	1% (1% less than last year)

Asian, Native American, Middle Eastern, African 0

(Note: Of the presbytery's churches that did report to General Assembly earlier this year about their 2014 statistics, racial ethnic breakdown included: Asian, Middle Eastern, Native American, White, Black/African American, African, and Hispanic)

6) Type of ordination represented by number of persons and percentage of group

<u>Ordination</u>	<u># Persons</u>	<u>% of Total Group</u>
Teaching Elder	77	42% (1% more than last year)
Ruling Elder	97	52%
Non ruling elders (deacons or members)	11	6% (1% less than last year)

7) Number of persons with disabilities

- This category is defined as hearing, sight, and mobility.
- **Fifteen (15) persons** reported themselves as having a disability: ten related to hearing, five to mobility. This is six more people than last year and a good improvement toward inclusion.

Summary of statistics:

- 1) Fewer people are serving in two or more positions than were last year (11% vs. 13%), and most of these are in short-lived tasks or seasonal responsibilities. We thank Nominations for this improvement.
- 2) Age ranges of people serving are generally known
- 3) Diversity of ethnic heritage is slightly changed from last year with 96% white this year vs. 94% last year. (Our goal is to mirror the stats from the churches, which is a challenge when we have so few of the churches' reports.)
- 4) Ruling elder and laity form a majority of those serving (58% vs. 42% teaching elders)
- 5) Gender %s are unchanged from last year.

Areas of concern:

- 1) A large number of churches (26%) are still not represented among elected persons though this year the reasons are more evident and even since March, improvement has been made.
- 2) 67% of those serving are age 56 and above. (We hear that weekday meetings present a challenge to younger members, and we applaud committees/groups that include conference calls, video conference, etc. to involve people at a distance.)
- 3) The absence of reports to General Assembly from 57% of our congregations is an embarrassment and an obstacle to Representation's work.

Recommendations from the Committee on Representation to Stated Clerk and/or Committee on Nominations for the latter's work in 2015:

- 1) **New Stated Clerk should follow up with churches that did not report to General Assembly for 2014.**
- 2) **Committee on Nominations should contact churches in NW AR to solicit names of Hispanic persons for service on committees and should encourage all churches with diverse congregations to submit names of youth, younger adults and minorities to serve on committees.**

Note: Statistics on disability of elected persons is for information only.

Respectfully submitted,
Ruling Elder John Alderson
Moderator, Committee on Representation

Committee on Representation 2015

Report of the Congregational Care and Development Committee

The Congregational Care and Development Committee met as a full committee March 17, 2015 and May 12, 2015 at First Presbyterian Church in Conway, Arkansas.

Routine business of the committee has been conducted including items pertaining to property and financial matters, church vitality and New Church Development and New Worshipping Communities.

The Chenal Property continues to be listed by Melanie Gibson at Colliers. She has reported that there is some interest from a developer who is in the beginning stages of determining if the site would be feasible for a development. A formal offer has yet to be made on this property.

Since the announcement of Brick and Mortar grants at the Presbytery Meeting in Clarksville in January, five congregations have submitted requests for this money. The Congregational Care and Development 2015 budget has \$40,000 appropriated for these grants. Year to date, requested funds of \$76,275 have been submitted by four congregations with \$32,500 awarded to these congregations. The Brick and Mortar grant application has been added to the website.

The annual Spring Retreat was held on March 5-7 at Ferncliff. Jane Wolfe, the director of Bog Chapel, a spiritual health and fitness center in Woodstock, Vermont, led the retreat. The Retreat was titled "Unlocking the Door: A Lenten Journey of Spiritual Renewal". Plans are being formulated for the Spring Retreat on March 3-5, 2016 at Ferncliff. Brochures will be available at the next Presbytery meeting.

Matching funds for local new worshipping communities have not been awarded in 2016 as the General Assembly is reworking funding issues for this project. A New Worshipping Community, the Mercy Church, was submitted in January and is pending the funding of a Seed Grant.

The Congregational Care and Development Committee continues to support several congregations around Arkansas. Those include the Black Caucus, West End, and the Laotian Ministry.

Administrative Commissions were formed for the following congregations: Pocahontas, Ozark, Walnut Grove, Cane Hill and Gravette.

Respectfully submitted:

Leah Shell, Moderator of Congregational Care and Development

**Presbytery of Arkansas
129th Presbytery Meeting
First Presbyterian Church - Benton
Mission Committee Report**

The Mission Committee is composed of Teaching and Ruling Elders from congregations of the Arkansas Presbytery. As a group, we meet to discern God's will in furthering the mission work and evangelism of our Presbytery through distribution of funds, recognition of noteworthy mission activities and by increasing awareness of the needs of others in and outside the borders of our Presbytery.

Unified Mission Emphasis

We, as a committee, receive delegated funds to award as grants for a *Unified Mission Emphasis*. A group or need is designated as the unified mission emphasis with a minimum life cycle of three years. For the past six years, we have highlighted Hunger as our emphasis. Churches and members of our congregations wholeheartedly embraced this an important mission to "feed God's sheep". While we have not eradicated this injustice, we have provided thousands of meals to those who are food deprived!

For the 2016-2018 Unified Mission Emphasis cycle, the Mission Committee presents to the Presbytery for recommendation that we expand our focus to ***mission work focusing on the most vulnerable segment of our population, from children to older adults***. The expansion of our focus would allow those who so choose to continue the very needed mission work dealing with the food deprived or to look to other ways to nurture and provide for the needs of those struggling - such as with the difficulties of aging with inadequate fixed incomes, health issues for themselves or as caregivers, or tutoring programs for youth, or shelters for victims of domestic abuse.

International Missions

We as a committee recognize that the need to provide help and to continue God's work does not stop at the borders of our Presbytery, state or country. Congregations in our Presbytery have successfully sought out ways to reach others internationally. Congregations in the northwest and central parts of our state have partnered together with presbyteries in Tampa and Carlisle to focus on Honduras. The congregation at Horseshoe Bend has been very active with the non-profit organization, *Journey Into Hope* that works with the population of Dominican-Born Haitians living in Dominican Republic who are not as citizens of either country. We as a committee recognize both groups and their efforts although in different ways:

- **Today's offering is designated to assist *Journey Into Hope* in their mission efforts.**
- **We as a committee wholeheartedly endorse and recognize the endeavors of our congregations involved with the Honduras mission efforts and encourage congregations and individuals interested in these efforts to participate.**

Unified Mission Grants distributed for 2015

To date in 2015, the Mission Committee has awarded the following grants to further the mission emphasis of hunger:

- \$5,000 to the Stop Hunger Now program at Ferncliff
- \$1,500 to the Central Elementary 4H USA Community and Learning Garden, Forrest City, AR

Lastly, as a committee, we want to remind our congregations of the wonderful work done through our Cents-ability program. We ask congregations to encourage our members to donate change during potlucks, Christian Education activities such as Sunday School and Vacation Bible School. Each year we distribute the monies collected over the year to an organization located in the state, one that serves a national population and an international mission.

Thank you for allowing us to represent you on this committee.

Respectfully submitted,

Kim P. Danehower
