

130th Stated Meeting
of the Presbytery of Arkansas
Friday and Saturday, October 9-10, 2015
Central Presbyterian Church
Russellville, AR

HOST INFORMATION

Greeting Sisters and Brothers in Christ!

The churches of the Central Arkansas River Valley welcome you to the 130th Stated Meeting of the Presbytery of Arkansas. The members and officers of First Presbyterian Church, Dardanelle, Memorial Presbyterian Church, Atkins, and Central Presbyterian Church, Russellville are looking forward to having you as our guest.

The three churches of Pope and Yell counties are excited to once again celebrate with you the connectional nature of the Presbyterian Church (USA). We will be bound together by a Jazz and Blues infused Advent worship service featuring the sacrament of the Lord's Supper, by our discernment of the movements of God's Spirit in our deliberations, and by our fellowship in the sharing of a meal. Candidate Courtney Bacon-Latina will be preaching the evening worship as part of her examination for ordination to the office of teaching elder. The presbytery will be voting on the new restructuring model as part of its second reading. We eagerly anticipate the report from the General Presbyter Nominating Committee. As always we will attend to issues which are both great and small but necessary while we seek to turn the business of the church into God's work in the world.

You will find in the welcome packet information needed to navigate the busy city of Russellville as the community joins with Arkansas Tech University in celebrating homecoming. A list of hotels in Clarksville and Morrilton are included because the Tech alumni have booked most of the rooms available in town. To join in the festivities the fellowship committee at Central PC has planned a hamburger "tailgate" party for our lunch together. Please make your reservation using the enclosed form or contact the church office no later than October 1 so we have adequate food on hand. While there are many fine restaurants in Russellville many of them will have long wait times on Saturday because of the football crowd. Please let us know of any childcare needs so that we can provide a safe and comfortable environment for God's youngest children. Parking in the church lot is limited, but space is available on N. Denver Avenue and the connecting streets of historic downtown Russellville. You may also park in the Lowe's Auto Parts lot across W. B Street from the church parking lot, but the owners ask that you not park next to the building so their customers can get in and out of the store. Greeters will be available to assist you with any parking issues.

On behalf of the three churches I look forward to welcoming you to CPC in October.

Grace and peace,
Brian Brock, pastor

400 W. Main Street, Russellville, Arkansas 72801

479-968-1238
