

131st Stated Meeting

Friday and Saturday, February 12-13, 2016
Lyon College
Batesville, Arkansas

HOST INFORMATION

January 26, 2016

Commission of the Arkansas Presbytery

Dear Colleagues:

Greetings from Lyon College. We extend warm wishes and offer our hospitality on the occasion of the February 2016 meeting of the Presbytery of Arkansas. We look forward to your arrival and to renewing friendships and making new acquaintances.

Lyon College has always been a college of the Presbyterian Church. We are ever mindful of and deeply committed to our heritage, made manifest in our Covenant. Lyon has been blessed by ongoing support from individual Presbyterians, as well as churches and the Presbytery, since our founding more than 140 years ago. Thanks in great measure to that generous support, we have been recognized by national publications such as *US News and World Report* as one of the country's finest liberal arts colleges.

Our students come first at Lyon and are young men and women of character, talent and promise. We are blessed with an exceptionally strong faculty as well. Remarkably, Lyon teachers have earned the Arkansas Professor of the Year Award 14 times in the last 24 years. This prestigious award is given annually to one and only one professor per state by the Council for the Advancement of Teaching. Ours is a record unmatched by any other liberal arts college in the country.

Life beyond the classroom complements academic life. In particular, our honor system and residential house system offer daily lessons in integrity and responsibility. Similarly, our endowed campus ministry program, led by the Reverend Raymond McCalla, our campus chaplain, offers abundant opportunities for spiritual growth.

Materials in support of your meeting are enclosed. Should you have questions or special needs, please contact Cindy Qualls at 870-307-7211 or cindy.qualls@lyon.edu. We look forward to hosting you.

Sincerely,

Donald V. Weatherman
President
