

February 18, 2024

Dear Friends and Colleagues of the Presbytery of Arkansas,

It is with great anticipation and excitement to welcome you to the University of the Ozarks! It was 2019 the last time we were able to host you here, so we are overjoyed to have you back.

The university looks forward to sharing with you all the great things happening here on campus. We certainly have made several changes on campus since you were here last and are in the progress of additional enhancements. With these enhancements being made on campus, I encourage you to familiarize yourself with the campus map included in this packet and notice where particular parking areas are closed off. I do not anticipate that these areas will cause too much of an inconvenience, but best to review prior to arrival. We do generally have parking always available on the north end of campus.

The city of Clarksville has also had several changes over the past few years and I encourage you to consider visiting some of our new restaurants. We even house a restaurant in our old Voorhees Hall (Kasper's) that is certainly within walking distance of campus. If you are able stay the weekend and enjoy the area, the city just recently opened a brand new world-class mountain bike trail system on the north end of Lake Ludwig called [Red Lick MTB](#) that I am told you can hike parts as well. It's an exciting time of growth both for the U of O and the city of Clarksville.

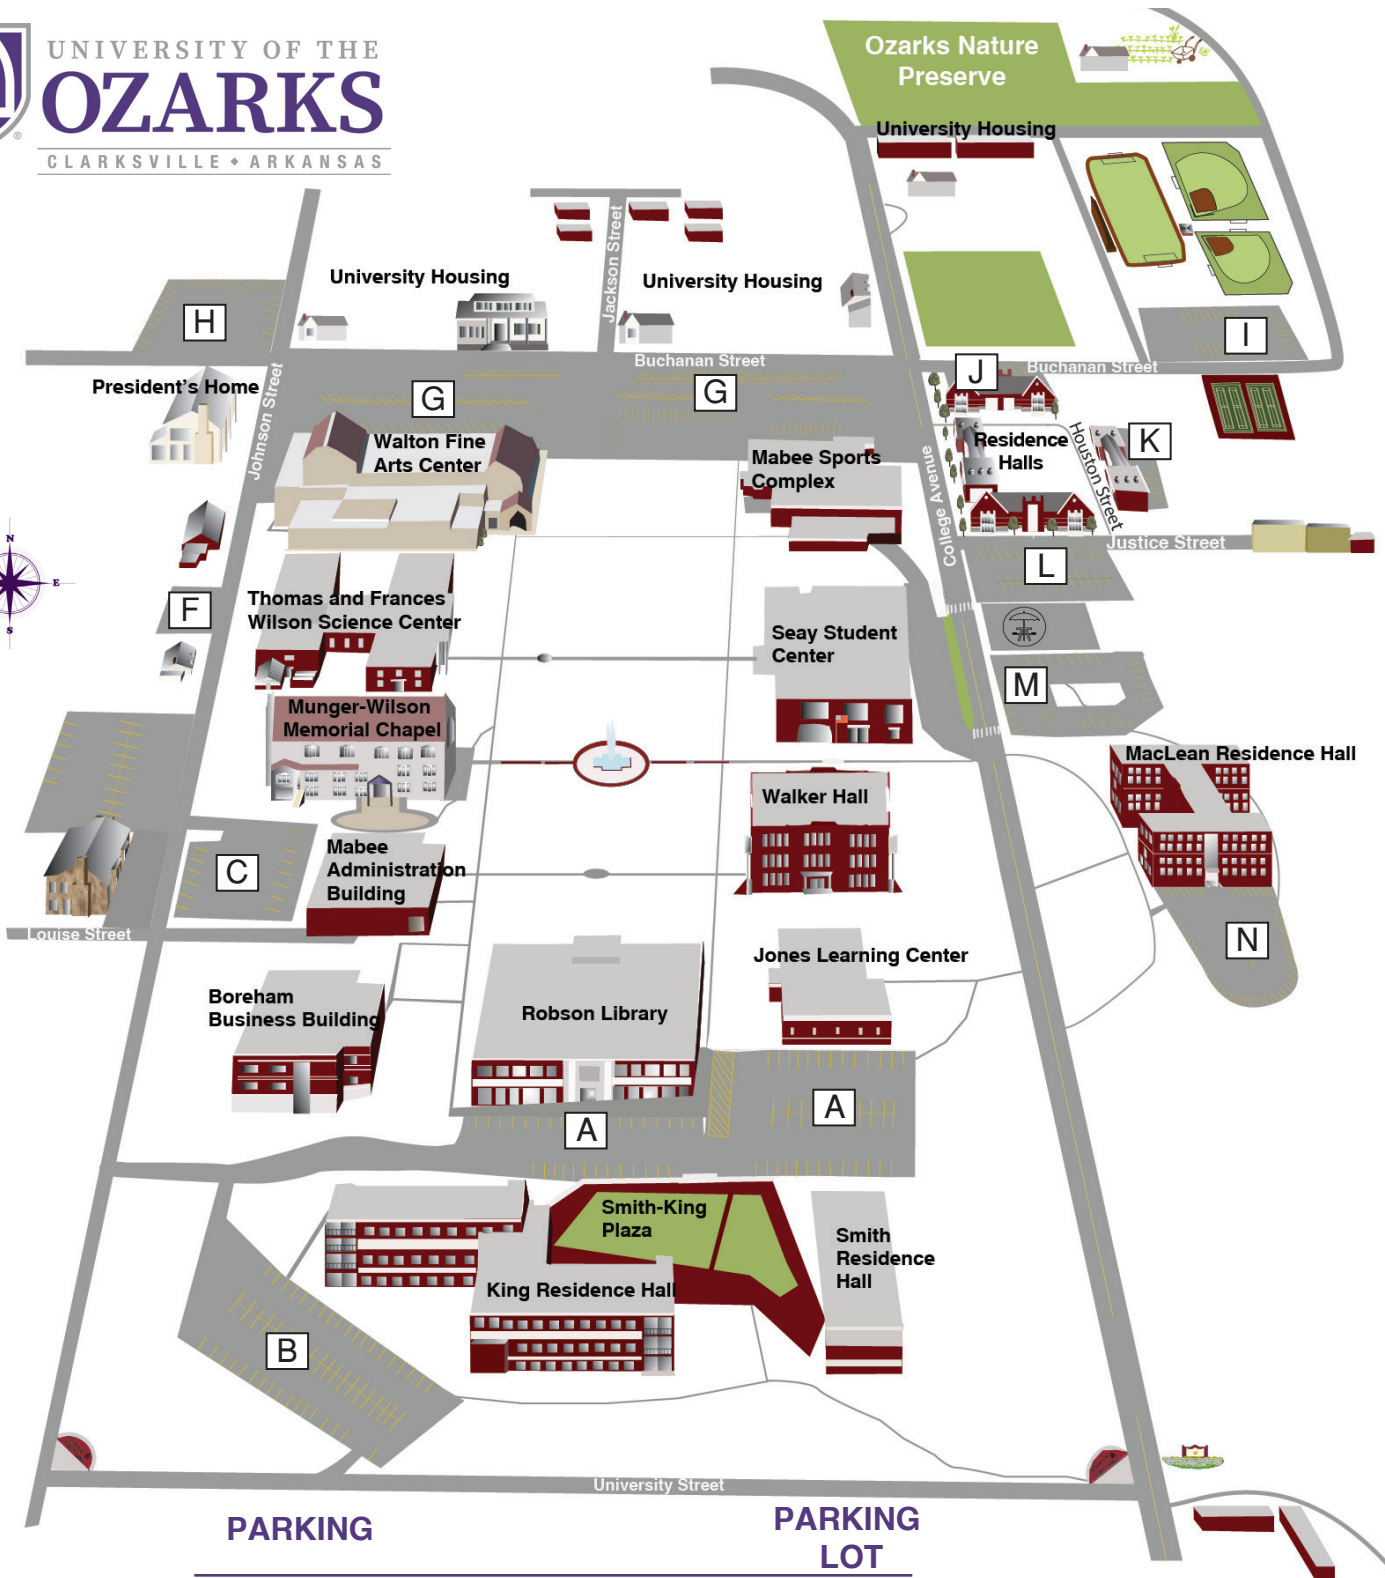

If I can be of any assistance as you make plans to join us, please do not hesitate to reach out. My contact information is below. I am

Faithfully Yours,

A handwritten signature in black ink, appearing to read 'Jeremy C. Wilhelmi'.

The Rev. Jeremy C. Wilhelmi  
University Chaplain
