

The Presbytery of Arkansas is looking for a full-time (preferable) Transitional General Presbyter to supervise the staff and daily operations of the presbytery and to work with the staff of Ministry Architects in the current strategic planning and visioning process. Past Mid-Council leader experience is preferred along with Transitional Ministry training.

The Ministry Discernment Profile is attached and applications can be sent to Katie Flood whose contact information is listed on the MDP. Current General Presbyter Stewart Smith is available for questions about the presbytery and the position. (stewart@presbyark.org, 479-466-0195).
